## **SUSTAINABILITY: AUTOSTRADE PER L'ITALIA RECEIVES ESG RISK RATING FROM SUSTAINALYTICS**

- *The Company ranks number 1 in the world transport infrastructure sector*

Rome, 6 July 2022 – Autostrade per l'Italia announces that it has received a “Negligible” risk rating of 6.2<sup>1</sup> from the rating agency, Morningstar Sustainalytics. This ranks the Company top in the transport infrastructure sector and among the first twenty firms over 14,000 rated worldwide.

Sustainalytics, a Morningstar Company, is a leading ESG research, ratings and data firm that supports investors around the world with the development and implementation of responsible investment strategies. It specialises in assessing how effectively companies manage their ESG risks, with its ratings acting as an independent yardstick for investors<sup>2</sup>. Autostrade per l'Italia voluntarily put itself forward for a rating from Sustainalytics as part of our transparent approach to stakeholder relations; the score obtained confirms the effective implementation of the Group's sustainability strategy and the progress made by the Group in environmental, social and governance terms.

---

<sup>1</sup> On a scale of 0 to 40+, where 0 is the lowest level of risk and 40+ the highest.
