## **SALE OF GROUP SHAREHOLDINGS IN TANGENZIALE ESTERNA AND TANGENZIALE ESTERNA DI MILANO**

Rome, 13 May 2024 - Autostrade per l'Italia S.p.A. informs that it has reached an agreement for the sale to the ASTM Group of the shares held by the ASPI Group in the capital of Tangenziale Esterna S.p.A. (TE) and in the capital of the TE holding company, Tangenziale Esterna di Milano S.p.A. as well as the shareholders' loan held by the ASPI Group against TE.

As part of the capital rotation strategy to support digital transformation and sustainable mobility initiatives, the transaction allows the ASPI group a valorization of a non-strategic asset held with a minority stake (14.5% in transparency). The transaction contributes also to the strengthening of the group's financial position.

Completion of the transaction, after obtaining all the necessary authorizations, is expected by the end of 2024 for a total price of €140 million.
