## **AUTOSTRADE PER L'ITALIA JOINS THE UNITED NATIONS GLOBAL COMPACT TO FOSTER A SUSTAINABLE ECONOMY**

*Roberto Tomasi, Autostrade per l'Italia CEO: "ASPI business model aims at developing an increasingly sustainable mobility and economy that guarantees a better future"*

Rome, 19 January 2023 – To promote a sustainable global economy, respect of human and labor rights, environmental protection and the fight against corruption, this why Autostrade per l'Italia has joined the UN Global Compact, the largest strategic initiative in the world for sustainable development promoted by the United Nations.

The Global Compact is a non-binding pact created to encourage companies and businesses from all over the world to adopt sustainable policies complying with corporate social responsibility, and to make public the results of the actions taken. Joining the initiative, confirms Autostrade per l'Italia commitment to these issues by continuing along the path of integrating sustainability into its business model.

Sustainability is as a distinctive element of our mission, in line with the objectives of the 2030 agenda.

“We are proud to join the United Nations Global Compact - said Roberto Tomasi, CEO of Autostrade per l'Italia – this further strengthen our commitment to sustainability. ASPI has long adopted a business model aimed at actively contributing to the development of increasingly sustainable mobility and an economy that guarantees a better ”.

The United Nations Global Compact is the world's largest strategic corporate citizenship initiative. Launched in 2000, to date over 15,000 companies from 160 countries have joined, giving life to a new reality of global collaboration.

The United Nations Global Compact operates in Italy through the UN Global Compact Network Italy (UNGCN Italy), an organization established as a Foundation in June 2013 after ten years of activity as an informal group. UNGCN Italy promotes the ten principles of the UN Global Compact at the national level and is also committed to the advancement of the global Sustainable Development Goals (SDGs) for the eradication of extreme poverty, the spread of peace and the promotion of prosperity and human development by 2030.
